

Think about two groups that you belong to. You don't need to tell me any personal information about these relationships. These relationships should be the types of groups & teams that are the subject of this class.

Group 1:

Describe a time when you had more power than the others in the group.

Your response here

Which of the bases of power described in class apply in this situation? Why do you think so?

Reward / Coercive / Legitimate / Expert / Referent / Informational

Describe a time when you had less power than the others in the group.
